TO LET AND FUR SALE.

THE ADVERTISER being proprietor of the Irving Institute property, at Tart, towa, occupied for 12 years pair as a bearing school is about to retire from the businer, and would be glast to dispose of his property on reasonable terms; allowing, if desired, two-thirds of the purchase mobey to remain on bond and mortgage. It is admirably situated and adapted for a public house. The location is perhaps the most desirable that could be selected en the Hudson. It is distant but twenty five miles from New-York, and is visited in fifty minutes, several times a day, by cars of the Hudson River Railroad, and by susamboats. The site is less than half a mile from the depot and the steamboat landing, and being elevated, the prospect is extensive and delightful, commanding a splendid view of the Valicy of the Hudson for forty miles, from New-York to the Highlands.

3. The scifice is a commodious two-story and attle brick hilding, 40 feet square with wings 24 by 32 feet, and a large two-story rear bufficing (also brick) 26 by 46 feet, and large two-orfine and constructed with all the facilities for boarding house convenience. The premises embracing either two or fire scress, at the junction of two principal streets, cor-un numerous shades and fruit trees, summer-bouses, alrage barn, carriage-floures and gymmasium.

As any party latercested in this adventament will undochedly visit the place, a more particular description is unnecessary.

Treasonable Movement A correspondent of the Philadelphia Bulletin

writes as follows:

Washington, Friday, Sept. S.

I have reliable information that the Governor of Texas, before convening the Texas Legislatura, corresponded with the Executives of certain Southern States, soliciting aid against the General Government, and that it was according an apparent. ernment, and that it was secretly guaranteed by the Governors of South Carolina, Mississippi, Geor-

copy the following from the Oregon Spectator:
GOLD MINES—The gentlemen who have best
absent for some weeks past, exploring the Yakama and Spokan, in search of gold, have all returned. They report having found some gold—is
very small quantity, however. The streams were
all so high that a satisfactory examination could
not be made. It is thought, however, that when
the waters subside so as to admit of it, a more

June, with the joint commission of army and navy officers appointed to select positions for lighthouses and fortifications. The Spectator says that it is understood they have completed their duties so far as Puget's Sound and the adjacent country is concerned, and are now to examine the mouth of the Columbia. The Massachusetts came through the south channel, drawing 17 feet, finding aband-

vessels navigating the river. The old channel round Tongue Point bar has long been one of the greatest difficulties to the river navigation. Our files of the Oregon Spectator, received by

Navy officers appointed to select positions for Light Houses and Fortifications. They had completed their duties as far as Puget's Sound, and are now to examine the mouth of the Columbia. STEAMER COLUMBIA - NEW ERA - This new

that has appeared in this place, and as it is the sure harbinger of better times it was hailed with joy by every citizen.

The vessel itself is a light draught steamer, and entirely capable of accommodating the traveling and commercial public in a new and superior style. We regard its appearance as the commencement

[Oregon Speciator, July 11. FACTORY BURNED.—We regret to learn that about 8 o'clock last night a fire broke out in the Farmers' Factory, at Sanquoit, is this county, which, together with its machinry, we understand, was entirely consumed. We should think the whole loss cannot exceed \$8,000. Mr. N. W

is the principal owner.

P. S.—We are informed that a part of the ma chinery was saved in an injured condition, and that there was an insurance of \$7,000 on the property, which will about cover the loss.

[Utica Observer, 3d. CANADIAN DIGNITARIES IN BOSTON - Some siz hundred citizens of Montreal arrived in Boston Trursday, via the Rutland and Burlington Railroad. Among them was a select party of official personages, with their ladies, for whom spartments had been engaged at the Revers House. The gentlemen were Hon. Francis Hingks, Inspector Genetlemen were Hon. Francis Hinoxs, inspector Con-ral of Canada; Col. Gugy; Maj. Mecitonald, Town-Major; Sheriff Barton; Aldermen Larceque and Lyman; Councilor Honiver; Judge B. dgley; Hoo. Mr. Bourret, ex. Mayor; B. Holmes, P.P. Mesers.

Mayor Bigelow welcomed them to the city and showed them the 'notions.' MORE "TESTS."- JOB PIERSON, the Hunker Dalegate to the Loco State Convention from Troy, was instructed to vote for no candidate for Governor

FROM WASHINGTON.

A Card from Hon Wills A Gorman House of Representatives, Friday, Sept 6

"The pallant Col. (I have a right to call him this, because he becaused quite egottstically of his Mexican-killing exploits in his speech")

Exploits in his speech ")

I did not, by word or action, allude in any manner to the
fact that I ever was in Mexico. I repeat, I did not make the slightest a luston to myself in connection with the army

publish this correction. Respectally, W. A. GORMAN Mr. Gorman is of course right and our porrespondent wrong in the premises. We know how noisy and how badly constructed that Hall is, and how easily a speaker in it may be misapprehanded

and thus misreported. -But there is a much more serious charge affinat against Mr. Gorman, which we will mank him to. meet with equal frankness. It is charged that he was engaged in or cognizant of the printing in. Spanish during the Mexican War of Mr. Corwin's noble acti War Speech of 1842 or 8, in order to cre. ate the false impression that the Mexicans bad translated and printed it in order to excite their people to a more determined resistance to cor isvading army. Will Mr. Gorman inform as whether he bad or had not a hand in that dirty trick? or if | Ed. Trib.

Things in Philadelphia.
Correspondance of the Tribune.
PHILADELPHIA, Sopt 8th 1850. Scars, from New Bedford for this port, was capsized off Marana Hook. A hand belonging to her named Joseph Reese, was drowned

sized off Marans Hook. A hand belonging to her named Joseph Reese, was drowned.

The recent freshet has injured the Noristown Railroad to the extent of only \$1,000.

There has been rather more inquiry for Corron, bertains as he said to the more inquiry for Corron, bertains as less are limited, as hiders demand an advance on our previous quotations. The Flour markst continues that we confine to the few hundred bils for city consumptions. There is little or no inquiry for altipment and, the asias are confined to a few hundred bils for city consumptions. There is little or no inquiry for altipment and, the asias are confined to a few hundred bils for city consumptions. There is little or no inquiry for city consumptions. The said of the Flour and Coan and Sections have been reported. Prices of Wilkar are steady, but the demand continues inmind. We quote common and ordine Rec at 1 63/21 (5, and White at 1 62/21 (1 4) hundred. The latest sale of RYE was at 85 conts. Coan continues in fair request acid scenarios. And white at 1 62/21 (6, and White at 1 62/21 (6) and 24/21 (6) and 2

gia and Florida. Those of Virginia, Alabama, Louisiana, and other States refused, by letter, to countenance the project.

FROM OREGON.

The Oregon dates received by the Empire City, are to the 21st of July. They reached San Francisco on the 29th, by the steamship Carolina. We

the waters subside so as to admit of it, a more thorough examination will bring to light hidden nines of the precious metal.

The United States steam propeller Massachusetts, Com'r Knox, arrived at Astoria on the 20th

ance of water.

We also learn from the same source that Capt. Thomas Hawks has buoyed out the channel from Pillar Rock to Tongue Polut, and last week carried the Tarquina through it, finding it a perfectly good beating channel, with sufficient water for all

the Georgia, reach to the 11th of July. The U. S. steamer Massachusetts, Lieut; Commanding Knox, arrived in Asteria on the 30th of June, with the Joint Commission of Army and

steamer, just competed by an enterprising company of gentlemen at Astoria, arrived in this city on Saturday last. Various are the demonstrations of the satisfaction of our citizens on this new and interesting arrival. This is the first steam vessel

of a new era in the trade of the Columbia and Willamette. The weary traveler will no longer be required to toil for days or weeks to make the passage up the Columbia, but having arrived at Astoria a twenty four hours pleasant ride, on a magnificent river, skirted with the most wild and beautiful scenery, will place him in this city.

Moore, of the firm of Savage & Moore, we believe,

Bouret, ex Mayor; B. Holmes, P. P.; Messes, Rose, Stuart, Dumas, Judah, Spiller, Lachapelle, Bethebit and Sicotle, of the bar; Dr. David; Mr. Campbell, Editor of the Montreal Pilot, and Messes, Boudon and McGill, City I spectra.

who is not known or understood to be favorable to the present movements of the manorial tenants of the State of New York for Legislative relief.— Mr. Thomas B. Carroll, the present State Senator, offered the resolution.

ED. TRIBUNE-Sir: In your paper of the 24 nat a letter-writer, over the signature of "Sigma," does me great is justice and wrong in many particulars, but more expectably in the following statement:

in Mexico. I will be sincerely obliged to you if you will

he knows who had?
